**PATIENT INFORMATION LEAFLET**

**DRUG NAME: Itraconazole/DiMethyl SulfOxide Topical Solution and Nail Cure**

**COMMON USES:** This solution is used topically to treat fungal infections, as an anti-inflammatory, or to treat other conditions as determined by your physician.

**HOW TO USE THIS MEDICINE:** Follow the directions for using this medication provided by your physician. STORE THIS MEDICINE in a tightly closed light-resistant container. This medication is for EXTERNAL USE ONLY. IF YOU MISS A DOSE OF THIS MEDICINE, take the missed dose as soon as you remember the same day. Skip the missed dose if you do not remember until the next day. DO NOT double up the dosage.

**CAUTIONS:** BEFORE YOU BEGIN TAKING ANY NEW MEDICINE, either prescription or over-the-counter, check with your doctor or pharmacist. Do not use this medication if you are pregnant. IF YOU SUSPECT THAT YOU COULD BE PREGNANT contact your doctor.

**POSSIBLE SIDE EFFECTS:** Side effects that may go away during treatment include: nausea, vomiting, sedation, headache, dizziness, local dermatitis, rash, itching, garlic-like odor, and burning. If these symptoms continue or are bothersome, check with your doctor. NOTIFY YOUR DOCTOR if you experience unusual fatigue, loss of appetite, nausea, vomiting, yellowing of the skin or gums, dark urine, or pale stools. If you notice other effects not listed above, contact your doctor, nurse, or pharmacist.
